The CLC Chinese Help Desk (CHD) provides UGC-funded students with a variety of services to help them develop their Chinese language skills in

listening, speaking, reading, and writing. The CHD is a valuable opportunity for both local and international students to reinforce what they have learned in Chinese language courses, and to communicate with the teachers on various topics to improve their Chinese proficiency in the various skill areas.

Our tailor-made 1 :1 consultation can provide advice for your classwork, assignments, projects, and papers you're working on, or tests you are preparing for. You will receive personalized feedback from our Advisors and Peer Consultants for further improvement.

Please access more information about CHD via the link: [Chinese Help Desk](#)

CHD is also planning to hold group workshops and discussion sessions in the near future for each level of CHIN9501-9507. Please visit our webpage for the latest updates.
